# ABOUT THE COMPETITION

## Celebrating Community Pride

The Decorated Business Competition is one of the Torimba Festival's most visible and loved traditions. Each year, local businesses help transform Ravenshoe into a vibrant celebration of community spirit by decorating their shopfronts, offices and business premises in support of the festival.

The competition encourages creativity, participation and pride in our town while helping create a welcoming experience for visitors and locals alike.

We invite all Ravenshoe and District businesses to get involved and help bring the 2026 Torimba Festival to life.

### **WHY PARTICIPATE?**

- Promote your business
- Support the local community
- Encourage festival spirit
- Showcase creativity
- Create a welcoming town atmosphere
- Compete for community recognition

The more businesses that participate, the stronger the festival experience becomes for everyone.
