

2023 SPONSORSHIP INVITATION

Hello Business Management team!

We'd like to invite you to join our annual Torimba festival of the Highest Town in Qld, Ravenshoe as one of our cherished sponsors.

Our festival is run by our non-profit organisation with all proceeds going back into supporting our community. The success of the festival relies on the support and generosity of the business community surrounding the region and other businesses who would like to connect with our community, and its many visitors over the course of events. This festival has been running in one form or another for approximately a hundred years but has had the name of Torimba for 53 years. An important part of the local history.

This year's festival has been themed **"When I grow up"** which should result in some quirky and interesting store decorations and floats at the very popular Mardi Gras on Sat 14th Oct. Each year we are drawing larger and larger audiences that include many visitors to the region who return each year. The whole program of events runs from the 7th – 21st October. The wonderful timber creations entered in "The Festival of the Forest" are on display for the entire 2 weeks with no entry fee, and attract entries from across Australia. The festival wraps up with the annual ball where the Queen's can enjoy a more formal night with the community dressed up to the nines to celebrate the end of the festival, and draw the winner of the Queen's major raffle.

We would like to ask for your support through sponsorship, which can be made by way of a cash donation, donating a prize for a Queen or a prize/voucher which can be raffled or used as a prize for the many competitions held.

The volunteers who form the Torimba Committee are busy planning and preparing for another fantastic festival which will include the Festival of the Forest Timber Exhibition, Mardi Gras street parade and market Day, the 3 ball ambrose golf day with the Queens, the Torimba Ball, and Ravenshoe's community organisations creating quiz nights, Hoedowns, and barefoot bowls.
